K2 1/3

The Lachian Treasure

Trail K2 Treasure of the Brooks
Stop 1/3
Start to finish: 4.5 km | 1 h 30 min (loop)

Lašská brána Beskyd

This year, the little goblin Lašánek (you can call him Lachie) and his froggy friend will guide you to the Lachian Treasure. The frog is a paper fortune teller – you might know it as the 'heaven-hell-paradise' folding game! You fold your own little frog from the leaflet, and it becomes your trusty companion for the whole hunt. Download it at www.lasskypoklad.cz/en or pick one up at an information centre.

Each trail has 3 stops. At each one, you'll answer 3 questions – look for the clues all around you, they're hiding in plain sight! Correct answers will earn you hints. On every board you'll find instructions on how to use your frog and your hints. One by one, you'll collect three keys to unlock the treasure.

Earn the 1st key to the treasure:

Question 1

What was the pump in front of the house used for?

Answer	Clue **A**
Cooling the engine of the village tractor	red
Nothing, it was just for decoration, to make the village look important	brown
People used it to draw water from the well	yellow

Question 2

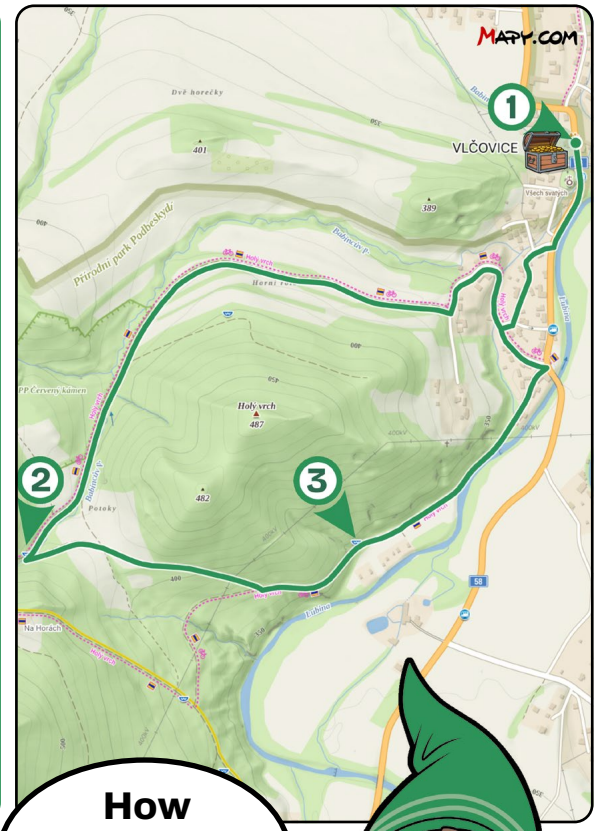

Kubal's Mill (Kubalův mlýn) was in operation for centuries. Why did they build it right by the river?

Answer	Clue **B**
Without the flow of water, the mill wheel wouldn't turn	PIPES
The miller got an expensive piece of land here	WELL
The flour had to be soaked in water in the final stage of production	PIPELINE

Question 3

During the 1997 floods, the water spread into the surrounding area and in places flowed along the old riverbed. What does that mean?

Answer	Clue **C**
The river went wrong, it doesn't normally do this	it is brown
Someone opened the old riverbed on purpose, to keep water away from the houses	it croaks
The river remembers its old path, and in a flood it often returns to it	it has yellow markings

1. Turn your frog the right way
Hold the closed frog (a paper fortune teller) in your hand so that the compass is facing you, showing the colour from hint **A**.

2. Make your frog croak
Work the frog from underneath with both thumbs and index fingers. The 1st croak opens it forwards (index fingers together, thumbs together), the 2nd croak opens it sideways — and so on, alternating. Croak the frog as many times as there are letters in the word from hint **B**.

3. Reveal the code
Find out what code is hidden under the picture of the little animal from hint **C**.

Brilliant! You've earned the 1st key to the treasure!
Write it down and set off for the next one!
Lašánek will now take you on a trip around Holý vrch.
Look for more questions by the Na potokách spring.
