K2 2/3 The Lachian Treasure

Trail K2 Treasure of the Brooks
Stop 2/3

Start to finish: 4.5 km | 1 h 30 min (loop)

Lašská brána Beskyd

This year, the little goblin Lašánek (you can call him Lachie) and his froggy friend will guide you to the Lachian Treasure. The frog is a paper fortune teller – you might know it as the 'heaven-hell-paradise' folding game! You fold your own little frog from the leaflet, and it becomes your trusty companion for the whole hunt. Download it at www.lasskypoklad.cz/en or pick one up at an information centre.

Each trail has 3 stops. At each one, you'll answer 3 questions – look for the clues all around you, they're hiding in plain sight! Correct answers will earn you hints. On every board you'll find instructions on how to use your frog and your hints. One by one, you'll collect three keys to unlock the treasure.

Earn the 2nd key to the treasure:

Question 1

Who built this little stone structure in the forest?

Answer	Clue **A**
Beavers, a structure like this is a typical fish trap	green
No one, the stones stacked themselves like this during floods	brown
People – they protected the spring this way, to keep the water clean and accessible	red

Question 2

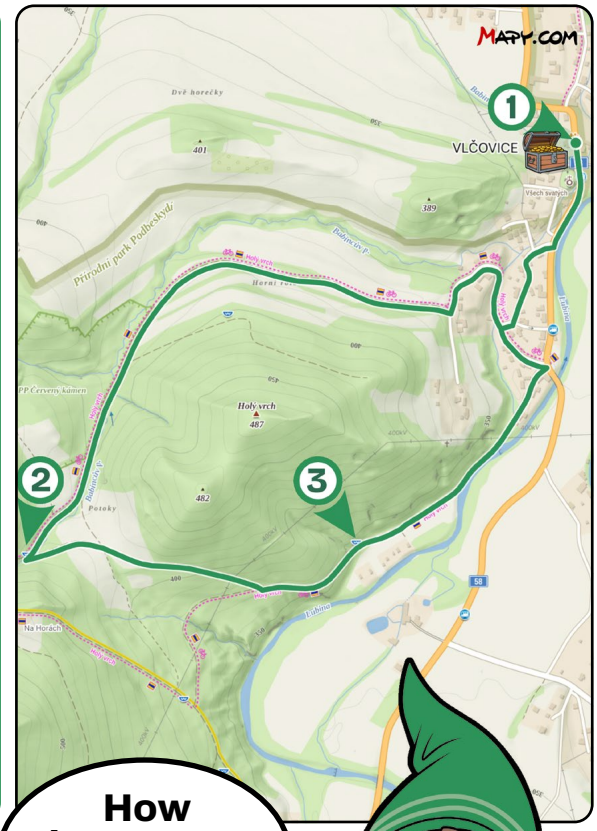

The spring is called "Na potokách" (At the Brooks). Why?

Answer	Clue **B**
Because the Babinec brook (Babincův potok) really does flow through here	TORRENTS
Because it's dry here all year round	BROOK
Because the brook flows twice here – first down, then back up the hill	DITCH

Question 3

Where does the water in the springs come from?

Answer	Clue **C**
It comes through a pipe from the village	it has 4 legs
The trees make it at night, when no one's looking	it has scales
The water rises up from underground, filled by nature's water cycle	it clatters its beak

1. Turn your frog the right way
Hold the closed frog (a paper fortune teller) in your hand so that the compass is facing you, showing the colour from hint **A**.

2. Make your frog croak
Work the frog from underneath with both thumbs and index fingers. The 1st croak opens it forwards (index fingers together, thumbs together), the 2nd croak opens it sideways — and so on, alternating. Croak the frog as many times as there are letters in the word from hint **B**.

3. Reveal the code
Find out what code is hidden under the picture of the little animal from hint **C**.

Brilliant! You've earned the 2nd key to the treasure!
Write it down and set off for the next one!
Lašánek will now lead you on a loop around Holý vrch to a spring (just above the sawmill). You'll find more questions there.
