Š1 2/3 The Lachian Treasure

Trail Š1 Treasure of the Forest Springs
Stop 2/3

Start to finish: 5 km | 2 h (loop)

Lašská brána Beskyd

This year, the little goblin Lašánek (you can call him Lachie) and his froggy friend will guide you to the Lachian Treasure. The frog is a paper fortune teller – you might know it as the 'heaven-hell-paradise' folding game! You fold your own little frog from the leaflet, and it becomes your trusty companion for the whole hunt. Download it at www.lasskypoklad.cz/en or pick one up at an information centre.

Each trail has 3 stops. At each one, you'll answer 3 questions – look for the clues all around you, they're hiding in plain sight! Correct answers will earn you hints. On every board you'll find instructions on how to use your frog and your hints. One by one, you'll collect three keys to unlock the treasure.

Earn the 2nd key to the treasure:

Question 1

Imagine you're a deer and you have to run away fast. Water is useful, but it can also wear you out. What would drain the most of your energy?

Answer	Clue **A**
Mist, because little animals walk slowly through it	red
Deep snow, because it exhausts you with every step	yellow
Dew, because the wet grass is slippery	brown

Question 2

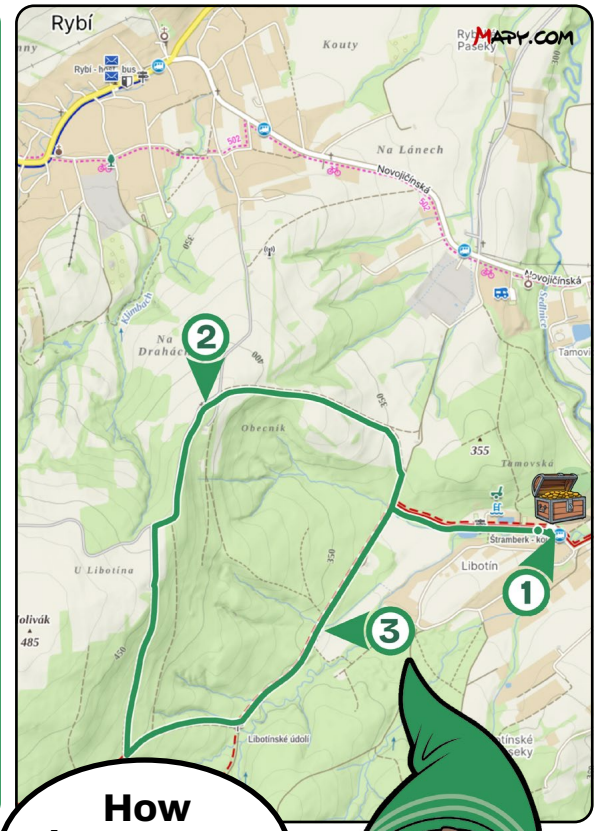

Which animals in the picture depend on water in the landscape?

Answer	Clue **B**
Only the deer and the hare. The other animals don't need water.	DEW
None – all the animals live in the desert, far from water.	MIST
The stork, the duck or the beaver – without pools, wetlands and brooks, they'd barely survive here.	FROST

Question 3

The king of the forest comes to drink from quiet forest brooks, pools and springs at dawn or dusk. Which animal, also depicted on the nearby cross, are we talking about?

Answer	Clue **C**
Mouse	it is brown
Deer	it flutters through the air
Hedgehog	it is yellow and black

1. Turn your frog the right way
Hold the closed frog (a paper fortune teller) in your hand so that the compass is facing you, showing the colour from hint **A**.

2. Make your frog croak
Work the frog from underneath with both thumbs and index fingers. The 1st croak opens it forwards (index fingers together, thumbs together), the 2nd croak opens it sideways — and so on, alternating. Croak the frog as many times as there are letters in the word from hint **B**.

3. Reveal the code
Find out what code is hidden under the picture of the little animal from hint **C**.

Brilliant! You've earned the 2nd key to the treasure! Write it down and set off for the next one! Lašánek will now lead you along forest paths below Holivák and back into the Libotín valley. By the shelter you'll find a little water mill on the brook and more questions.
