Š1 3/3 The Lachian Treasure

Trail Š1 Treasure of the Forest Springs
Stop 3/3
Start to finish: 5 km | 2 h (loop)

Lašská brána Beskyd

This year, the little goblin Lašánek (you can call him Lachie) and his froggy friend will guide you to the Lachian Treasure. The frog is a paper fortune teller – you might know it as the 'heaven-hell-paradise' folding game! You fold your own little frog from the leaflet, and it becomes your trusty companion for the whole hunt. Download it at www.lasskypoklad.cz/en or pick one up at an information centre.

Each trail has 3 stops. At each one, you'll answer 3 questions – look for the clues all around you, they're hiding in plain sight! Correct answers will earn you hints. On every board you'll find instructions on how to use your frog and your hints. One by one, you'll collect three keys to unlock the treasure.

Earn the 3rd key to the treasure:

Question 1

Look at the little mill on the brook. What powers it?

Answer	Clue **A**
It runs on batteries	green
It's powered by the wind	yellow
It's powered by the current of water from the brook	red

Question 2

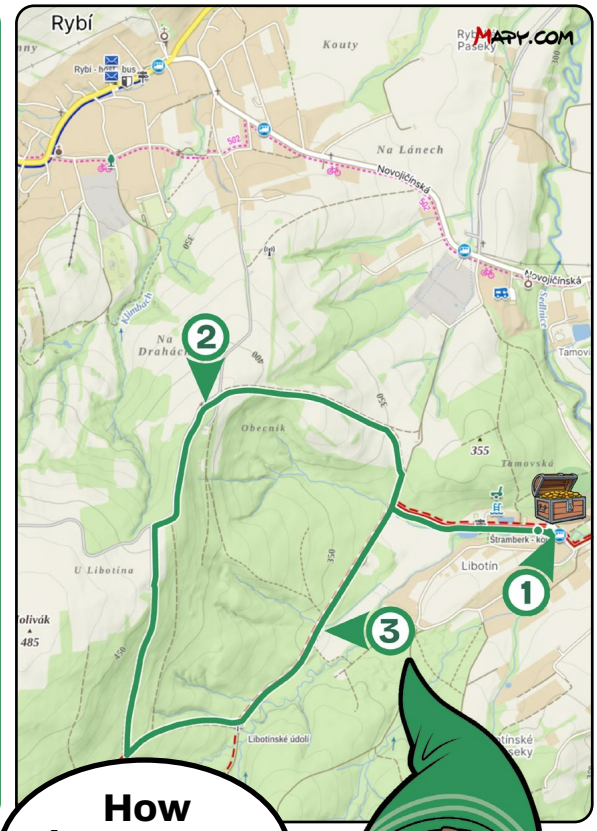

Look at the two largest photos of forest on the board. What is the difference between them?

Answer	Clue **B**
One forest is in the mountains, the other by the sea	INUNDATION
One is a mixed leafy wood, the other just spruce, an easy target for bark beetles	FLOOD
One is old, the other was planted this year	DROUGHT

Question 3

On the right bank of the Libotínka brook, cold iron-rich springs flow out of the ground. How can you tell?

Answer	Clue **C**
The local squirrels and foxes are rustier there than elsewhere	it hops
The water is warm	it swims
The water stains the stones a rusty colour	it is spotty

1. Turn your frog the right way
Hold the closed frog (a paper fortune teller) in your hand so that the compass is facing you, showing the colour from hint **A**.

2. Make your frog croak
Work the frog from underneath with both thumbs and index fingers. The 1st croak opens it forwards (index fingers together, thumbs together), the 2nd croak opens it sideways — and so on, alternating. Croak the frog as many times as there are letters in the word from hint **B**.

3. Reveal the code
Find out what code is hidden under the picture of the little animal from hint **C**.

Brilliant! You've earned the 3rd key to the treasure!
Line up all your keys in order, from the 1st to the 3rd. They'll form a six-digit code. Add a # at the end, and you'll unlock the box at the start, where Lachie has hidden a little reward just for you.

About the Lachian Treasure

An adventure game for all generations, guiding you through the magical landscape of the Lachian Gate of the Beskydy Mountains. Each year, eight themed trails lead you to fascinating new places around Kopřivnice, Štramberk, Příbor and Hukvaldy. After all, here treasures are hidden at every turn. And a little reward at the finish? That's just the cherry on top.
