Š2 3/3 The Lachian Treasure

Trail Š2 Treasure of the Rocky Waters
Stop 3/3

Start to finish: 2 km | 45 min (+ return)

Lašská brána Beskyd

This year, the little goblin Lašánek (you can call him Lachie) and his froggy friend will guide you to the Lachian Treasure. The frog is a paper fortune teller – you might know it as the 'heaven-hell-paradise' folding game! You fold your own little frog from the leaflet, and it becomes your trusty companion for the whole hunt. Download it at www.lasskypoklad.cz/en or pick one up at an information centre.

Each trail has 3 stops. At each one, you'll answer 3 questions – look for the clues all around you, they're hiding in plain sight! Correct answers will earn you hints. On every board you'll find instructions on how to use your frog and your hints. One by one, you'll collect three keys to unlock the treasure.

Earn the 3rd key to the treasure:

Question 1

People have come to springs for water for centuries. Why did our ancestors give them such importance?

Answer	Clue **A**
They didn't want so many frogs around	yellow
They were planning new tourist maps	brown
They believed that clean spring water had magical powers and healing properties	green

Question 2

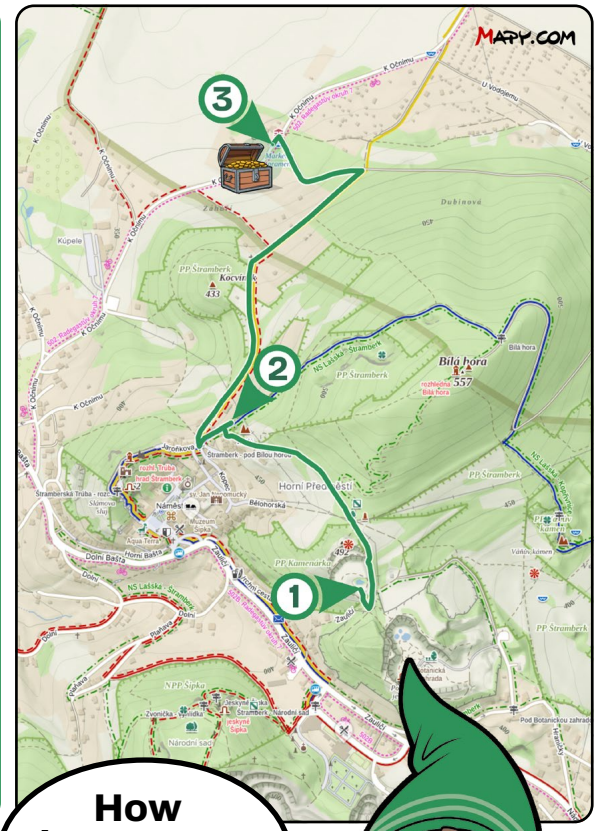

Water remembers. Margaret's Spring (Markétin pramen) was here long before us, and it will be here long after, if we look after it. What does it mean to "care for a spring"?

Answer	Clue **B**
Connect it to a water pipe	WELLSPRING
Have someone check the water here all the time	SOURCE
Keep it clean and preserve it for future generations	SPRING

Question 3

Margaret's Spring (Markétin pramen) lies on a path that directly connects two towns of the Lachian Gate of the Beskydy. Which ones?

Answer	Clue **C**
Štramberk and Hukvaldy, with its great castle ruins, birthplace of L. Janáček	it ribbits
Štramberk and Kopřivnice, with its automotive history and many museums, birthplace of Z. Burian and E. Zátopek	it skates across the water
Štramberk and Příbor, a historic town, cradle of the region's learning and birthplace of S. Freud	it crawls along

1. Turn your frog the right way
Hold the closed frog (a paper fortune teller) in your hand so that the compass is facing you, showing the colour from hint **A**.

2. Make your frog croak
Work the frog from underneath with both thumbs and index fingers. The 1st croak opens it forwards (index fingers together, thumbs together), the 2nd croak opens it sideways — and so on, alternating. Croak the frog as many times as there are letters in the word from hint **B**.

3. Reveal the code
Find out what code is hidden under the picture of the little animal from hint **C**.

Brilliant! You've earned the 3rd key to the treasure!
Line up all your keys in order, from the 1st to the 3rd. They'll form a six-digit code. Add a # at the end, and you'll unlock the nearby box, where Lachie has hidden a little reward just for you.
