H1 2/3

The Lachian Treasure

Trail H1 Treasure of the Forgotten Marshlands
Stop 2/3

Start to finish: 2.7 km | 1 h 15 min

Lašská brána Beskyd

This year, the little goblin Lašánek (you can call him Lachie) and his froggy friend will guide you to the Lachian Treasure. The frog is a paper fortune teller – you might know it as the 'heaven-hell-paradise' folding game! You fold your own little frog from the leaflet, and it becomes your trusty companion for the whole hunt. Download it at www.lasskypoklad.cz/en or pick one up at an information centre.

Each trail has 3 stops. At each one, you'll answer 3 questions – look for the clues all around you, they're hiding in plain sight! Correct answers will earn you hints. On every board you'll find instructions on how to use your frog and your hints. One by one, you'll collect three keys to unlock the treasure.

Earn the 2nd key to the treasure:

Question 1

Not far from here, a spring flows from a crack in the rock. Since 1937, it has supplied drinking water to the nearby houses. What is the name of the spring? Hint, look under the little roof.

Answer	Clue **A**
Spring U Čápa (the Stork's spring)	yellow
Spring U Beránka (the Lamb's spring)	green
Spring U Žabáka (the Frog's spring)	red

Question 2

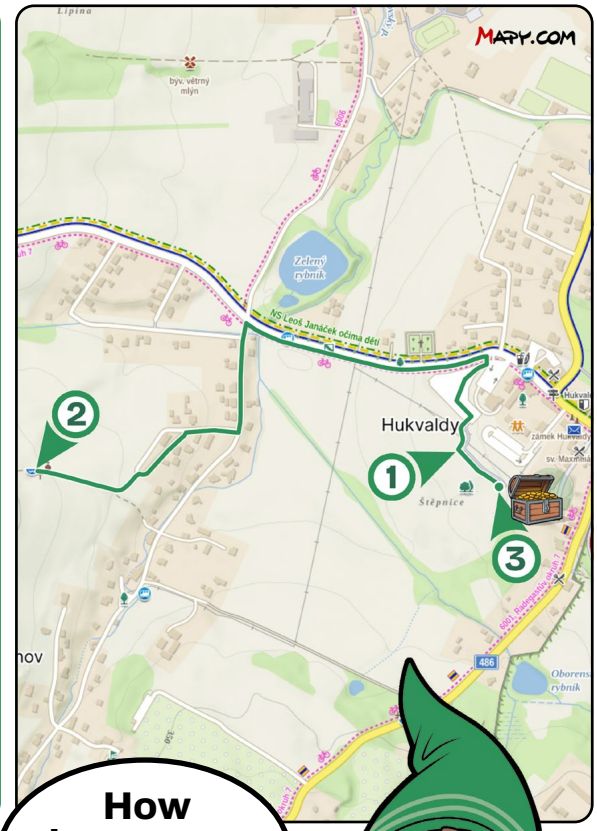

We are now in Horní Sklenov, today part of the village of Hukvaldy. The name Sklenov recalls the old glassworks that probably stood here back in the 13th century. Why were they built deep in the forest near springs and streams?

Answer	Clue **B**
So that no one would find them.	POND
The water powered machinery that crushed the raw material – quartz – and the wood fuelled the furnace.	RIVER
The forest sheltered the glass from the wind.	SPRING

Question 3

In what year was the small wayside chapel nearby built?

Answer	Clue **C**
In 2010	it hops
In 1910	it flies
In 1810	it buzzes

1. Turn your frog the right way
Hold the closed frog (a paper fortune teller) in your hand so that the compass is facing you, showing the colour from hint **A**.

2. Make your frog croak
Work the frog from underneath with both thumbs and index fingers. The 1st croak opens it forwards (index fingers together, thumbs together), the 2nd croak opens it sideways — and so on, alternating. Croak the frog as many times as there are letters in the word from hint **B**.

3. Reveal the code
Find out what code is hidden under the picture of the little animal from hint **C**.

Brilliant! You've earned the 2nd key to the treasure!
Write it down and set off for the next one!
Lašánek will now lead you back to the centre of Hukvaldy, to the info board on the viewing platform above the Village Orchard.
