H1 3/3 The Lachian Treasure

Trail H1 Treasure of the Forgotten Marshlands
Stop 3/3

Start to finish: 2.7 km | 1 h 15 min

Lašská brána Beskyd

This year, the little goblin Lašánek (you can call him Lachie) and his froggy friend will guide you to the Lachian Treasure. The frog is a paper fortune teller – you might know it as the 'heaven-hell-paradise' folding game! You fold your own little frog from the leaflet, and it becomes your trusty companion for the whole hunt. Download it at www.lasskypoklad.cz/en or pick one up at an information centre.

Each trail has 3 stops. At each one, you'll answer 3 questions – look for the clues all around you, they're hiding in plain sight! Correct answers will earn you hints. On every board you'll find instructions on how to use your frog and your hints. One by one, you'll collect three keys to unlock the treasure.

Earn the 3rd key to the treasure:

Question 1

Wetlands are among the most endangered ecosystems in the world. They help nature and us alike. What do they do for the climate?

Answer	Clue **A**
They keep water in the landscape. They are hotspots of biodiversity. They cool the air through evaporation and absorb excess CO_2.	yellow
They raise the temperature of their surroundings.	red
They have no effect on the climate.	green

Question 2

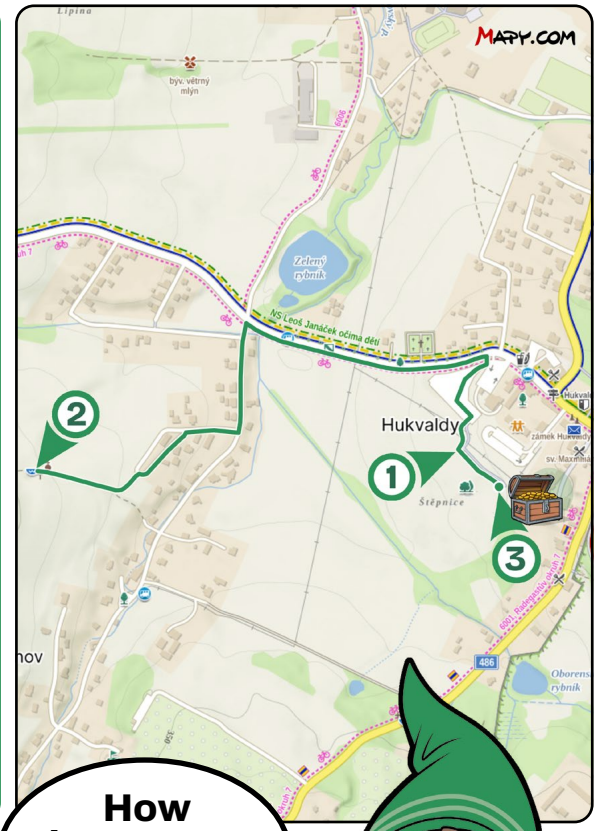

Peatlands are a type of marshland ecosystem and an exceptionally important store of:

Answer	Clue **B**
Gravel	WETLAND
Salt and pepper	SWAMP
Carbon	BOG

Question 3

The pond skater (fig. 20) walks on water. How does it do that?

Answer	Clue **C**
It has webbed feet.	it is yellow and black
It has water-repellent hairs on its legs, and the water's surface tension holds it up.	it skates across the water
It has little air motors under its feet.	it croaks

1. Turn your frog the right way
Hold the closed frog (a paper fortune teller) in your hand so that the compass is facing you, showing the colour from hint **A**.

2. Make your frog croak
Work the frog from underneath with both thumbs and index fingers. The 1st croak opens it forwards (index fingers together, thumbs together), the 2nd croak opens it sideways — and so on, alternating. Croak the frog as many times as there are letters in the word from hint **B**.

3. Reveal the code
Find out what code is hidden under the picture of the little animal from hint **C**.

Brilliant! You've earned the 3rd key to the treasure!
Line up all your keys in order, from the 1st to the 3rd. They'll form a six-digit code. Add a # at the end, and you'll unlock the nearby box, where Lachie has hidden a little reward just for you.
