The Lachian Treasure

Trail H2 Treasure Beneath the Willows
Stop 2/3
Start to finish: 2.5 km | 1 h 15 min (+ return)

Lašská brána Beskyd

This year, the little goblin Lašánek (you can call him Lachie) and his froggy friend will guide you to the Lachian Treasure. The frog is a paper fortune teller – you might know it as the 'heaven-hell-paradise' folding game! You fold your own little frog from the leaflet, and it becomes your trusty companion for the whole hunt. Download it at www.lasskypoklad.cz/en or pick one up at an information centre.

Each trail has 3 stops. At each one, you'll answer 3 questions – look for the clues all around you, they're hiding in plain sight! Correct answers will earn you hints. On every board you'll find instructions on how to use your frog and your hints. One by one, you'll collect three keys to unlock the treasure.

Earn the 2nd key to the treasure:

Question 1

Water is an essential foundation for the golden brew that the fox carries on its tail in the picture, and which has been brewed in Hukvaldy since 1567. It is:

Answer	Clue **A**
muddy water	yellow
wine	red
beer	green

Question 2

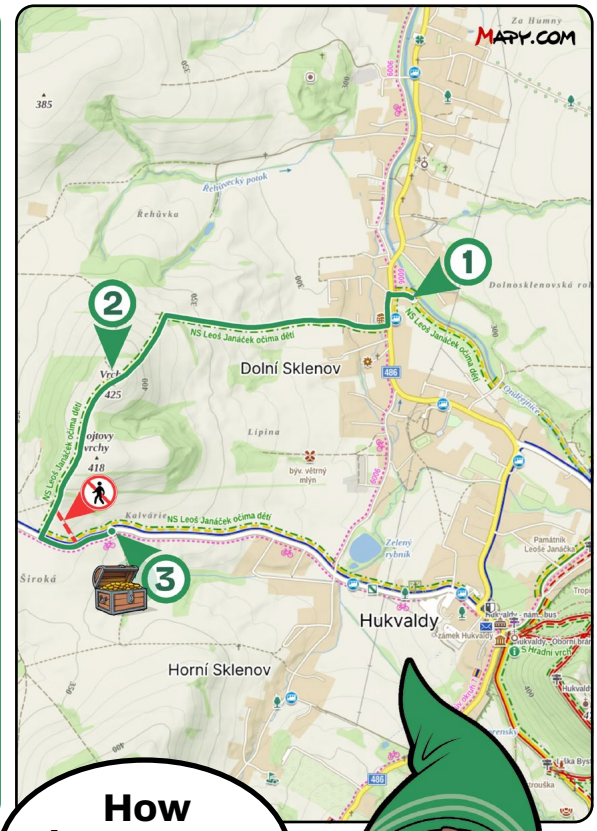

On the opposite slope, when visibility is good, a whitish little chapel stands out, where country folk used to go...

Answer	Clue **B**
to buy bread	HILLS
to pray for good weather and protection from natural disasters	BELFRY
To view a gallery of modern art	CALVARY

Question 3

With enough water, in 1762 it might have been possible to...

Answer	Clue **C**
stop the huge fire at Hukvaldy Castle	it has yellow spots
protect the statue of Radegast from floods	it flies elegantly
dry up the ponds	it has strong little legs

1. Turn your frog the right way
Hold the closed frog (a paper fortune teller) in your hand so that the compass is facing you, showing the colour from hint **A**.

2. Make your frog croak
Work the frog from underneath with both thumbs and index fingers. The 1st croak opens it forwards (index fingers together, thumbs together), the 2nd croak opens it sideways — and so on, alternating. Croak the frog as many times as there are letters in the word from hint **B**.

3. Reveal the code
Find out what code is hidden under the picture of the little animal from hint **C**.

Brilliant! You've earned the 2nd key to the treasure! Write it down and set off for the next one! Lašánek will now lead you to the Korýtko spring. Please respect the markings, fences and fields, and don't damage the crops – fines apply! Along the road, watch out for your own safety.
