The Lachian Treasure

Trail P1 Treasure of the Hidden Springs
Stop 2/3
Start to finish: 1 km | 30 min (+ return)

Lašská brána Beskyd

This year, the little goblin Lašánek (you can call him Lachie) and his froggy friend will guide you to the Lachian Treasure. The frog is a paper fortune teller – you might know it as the 'heaven-hell-paradise' folding game! You fold your own little frog from the leaflet, and it becomes your trusty companion for the whole hunt. Download it at www.lasskypoklad.cz/en or pick one up at an information centre.

Each trail has 3 stops. At each one, you'll answer 3 questions – look for the clues all around you, they're hiding in plain sight! Correct answers will earn you hints. On every board you'll find instructions on how to use your frog and your hints. One by one, you'll collect three keys to unlock the treasure.

Earn the 2nd key to the treasure:

From 1537, the centre of the square was decorated with a stone fountain. When the town water supply was installed in 1898, a cast-iron fountain was placed on the same spot, and in the early 20th century it was completed with a Neo-Renaissance cast-iron...

1. Turn your frog the right way
Hold the closed frog (a paper fortune teller) in your hand so that the compass is facing you, showing the colour from hint **A**.

2. Make your frog croak
Work the frog from underneath with both thumbs and index fingers. The 1st croak opens it forwards (index fingers together, thumbs together), the 2nd croak opens it sideways — and so on, alternating. Croak the frog as many times as there are letters in the word from hint **B**.

3. Reveal the code
Find out what code is hidden under the picture of the little animal from hint **C**.

Brilliant! You've earned the 2nd key to the treasure!
Write it down and set off for the next one!
Lašánek will now lead you into the Piarist Gardens. Take a good look around. By the side entrance (near the library) you'll find more questions.
