# The Lachian Treasure

**Trail P2 Treasure of the Stork's Nest**
**Stop 2/3**
Start to finish: 5 km | 1 h 45 min (loop)

Lašská brána Beskyd

This year, the little goblin Lašánek (you can call him Lachie) and his froggy friend will guide you to the Lachian Treasure. The frog is a paper fortune teller – you might know it as the 'heaven-hell-paradise' folding game! You fold your own little frog from the leaflet, and it becomes your trusty companion for the whole hunt. Download it at www.lasskypoklad.cz/en or pick one up at an information centre.

Each trail has 3 stops. At each one, you'll answer 3 questions – look for the clues all around you, they're hiding in plain sight! Correct answers will earn you hints. On every board you'll find instructions on how to use your frog and your hints. One by one, you'll collect three keys to unlock the treasure.

**Earn the 2nd key to the treasure:**

### Question 1

Find the picture of the water cycle on the nearby board. What happens to water when the sun warms it up?

| Answer | Clue **A** |
|---|---|
| It evaporates into the air | yellow |
| It soaks into the ground better | green |
| It turns into a glacier | red |

### Question 2

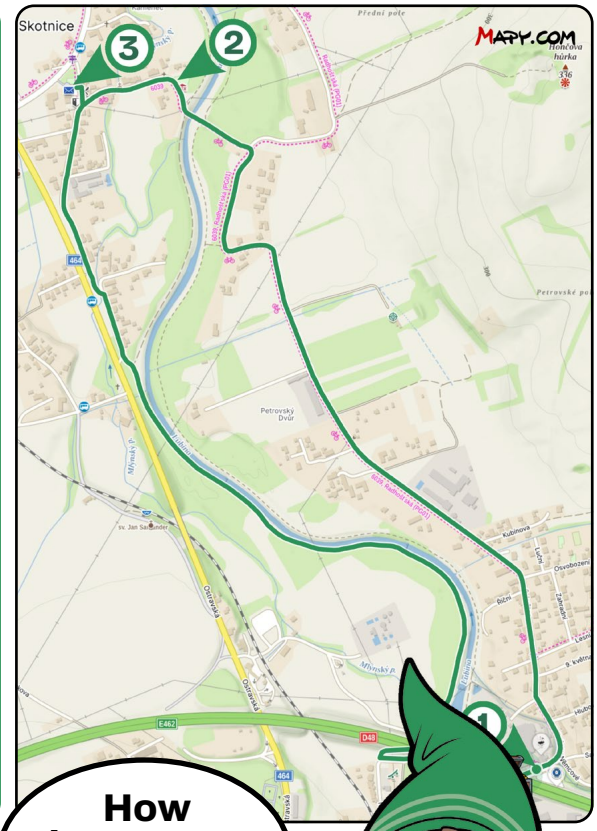

Look at the pictures on the board. What cleans water best in nature, without any human help?

| Answer | Clue **B** |
|---|---|
| A big factory that cleans water | WATER HOLE |
| A natural river with wetlands | PEAT |
| A reservoir dam | MARSHLAND |

### Question 3

Wetlands work like a natural sponge. What do they do during heavy rains?

| Answer | Clue **C** |
|---|---|
| They send the water straight into the river | it has scales |
| They turn into a lake | it has wings |
| They soak up a lot of water and slowly release it back into the landscape later | it has 4 legs |

**1. Turn your frog the right way**
Hold the closed frog (a paper fortune teller) in your hand so that the compass is facing you, showing the colour from hint **A**.

**2. Make your frog croak**
Work the frog from underneath with both thumbs and index fingers. The 1st croak opens it forwards (index fingers together, thumbs together), the 2nd croak opens it sideways — and so on, alternating. Croak the frog as many times as there are letters in the word from hint **B**.

**3. Reveal the code**
Find out what code is hidden under the picture of the little animal from hint **C**.

**Brilliant! You've earned the 2nd key to the treasure!**
**Write it down and set off for the next one!**
**Lašánek will now lead you to the children's playground opposite the U Žabáka Restaurant.**
